MEETING NOTICE

H STREET NE

Proposed Tax Increment Financing District
[2nd Street NE to 17th Street NE]

Tuesday, September 12, 2006
6 PM - 8 PM
at Atlas Performing Arts Center
1300 Block of H Street NE

The Office of the Deputy Mayor for Planning & Economic Development's **GREAT STREETS** program wants to hear from developers, property and business owners, and residents and business associations about a proposed **H STREET NE TAX INCREMENT FINANCING (TIF)** district and how the District might prioritize over \$2 million annually to support continued H Street NE corridor redevelopment.

TIF involves earmarking certain real property and sales tax revenues within an area to pay for public and private investments. This public / private partnership tool allows the District to pledge future tax revenues – revenues not already committed to meeting citywide operational needs or debt service – to support private investment in key redevelopment projects as well as infrastructure and public space improvements.
